

First World Football Tournament IPA-Section Albania 2025

Dear friends,

The organization and development of the IPA World Championship is an event of extraordinary importance on the international calendar. As an activity that brings together police professionals from all over the world, this championship represents not only a sports competition but also a powerful platform for friendship, solidarity, and the exchange of experiences among IPA sections.

IPA -Section Albania feels a special pride in being part of this major event, with a high sense of responsibility. It is not only a logistical challenge but also an opportunity to showcase the best values of our country and to promote Albania as a hospitable and safe destination for international events.

The championship is more than just a competition; it is a clear expression of friendship and collaboration among police colleagues from different countries. Through this activity, bridges of communication and understanding are built, strengthening international ties and fostering a sense of unity in a global community based on respect and cooperation.

For IPA Section Albania, this championship is an extraordinary opportunity to promote not only the values of IPA but also the cultural heritage and natural beauty of Albania. By participating in this event, we demonstrate our commitment to contributing to the establishment of sustainable international relationships and strengthening global friendship.

The IPA World Championship is a testament to the power of friendship and international cooperation. It provides IPA Section Albania not only with a platform to excel but also with the responsibility to demonstrate how sports and shared values can build enduring bridges between nations.

This event does not have a trophy for a single winner but celebrates a shared international victory.

You are most welcome to join us.

President of IPA- Section Albania
Skender Doda
